Schools Badminton Project

- **Goal-** To make badminton one of the worlds most popular schools sports.
- ***Shuttle Time*** - Designed to support teachers
- ***Why Shuttle Time?***- In 2010 only 54 of the 174 BWF Members said they had badminton teaching materials for schools.

**SHUTTLE
TIME**

Why Badminton?

- **Olympic Sport** - Global sport practiced at all levels.
- **Inclusive** - A sport for all ages and abilities – a sport for life.
- **Social**- Boys/girls/men/women playing and competing together.
- **Health**- Supports a healthy lifestyle.
- **Established programmes**- Pathways from schools to Olympic podiums.

Badminton- The Ideal School Sport

- Both boys and girls can play it – social benefits.
- Is both an individual and team sport.
- It is a safe, low impact sport for school children.
- Indoor and outdoor participation.
- Mass participation in small spaces- 20+ pupils on space of 1 court.
- Badminton builds fundamental physical skills and develops many life skills.
- Equipment is inexpensive.
- People with a disability can play badminton.

TIME**

Badminton Develops Sporting Skills

Meets schools PE curriculum objectives:

- Hand-Eye coordination skills.
- Catching and throwing skills.
- Stability and balance.
- Speed (builds aerobic capacity) & agility.
- Jumping and landing skills.
- Tactical awareness / decision making.

Key Partners

BWF

Responsible for providing the teaching / training resources, supplementary support material and providing funding for pilot projects for national / regional implementation of *Shuttle Time*.

Continental Confederations

Badminton Asia, Europe, Pan Am, Africa and Oceania will run schools badminton implementation projects in the next 5 years – sustainable development model.

National Badminton Associations

Central to the success of the programme, National Associations must have government backing – Sports Ministry or Education Ministry, to qualify for incentives from the BWF and support from the Continental Confederations.

Government

National and regional government endorsement for the programme is important. Endorsement should ensure badminton becomes part of the school PE curriculum. Badminton at universities / teachers colleges may then become an official sport in the curriculum for PE teacher training.

Equipment Suppliers

Partnerships with equipment manufacturers and suppliers are critical to meet the current and potential equipment needs for *Shuttle Time*.

Key Players

Coordinators

The key “driver” for Schools Badminton in each country. Coordinates the implementation of *Shuttle Time* nationally. Main contact person nationally for the Schools Badminton Programme.

**Shuttle
Time
Trainers**

Responsible for training the Schools Badminton Tutors Trainers 1) are very familiar with the BWF Schools Badminton Resources, 2) are educators or badminton coaches, 3) may have an education / school background and 4) have knowledge and experience of adult learning/training.

**Shuttle
Time Tutors**

Tutors deliver the 8 hour Teacher Training Course. Tutors are most likely are badminton coaches or PE teachers with badminton experience, ideally with a schools / teaching background. Familiar with the resources and teaching situations - badminton in schools.

**School
Teachers**

PE teachers / sports teachers who are responsible for taking PE classes or sports classes with children. They may no have badminton experience.

Children

5 – 15 year old school children. The badminton exercises and activities in *Shuttle Time* can cater for children from 5 -15 years of age. *Shuttle Time* provides an introduction to badminton for life.
