

1st BEC Para-Badminton Education Course
Veenendaal, Netherlands 11-13 December 2015

COURSE PRESENTER

Richard MORRIS (England)

Richard's para-badminton journey started when he started coaching a dwarf who was a part of his club and he thought it would be good to get involved as he really enjoyed it. With a glimpse of an eye, he is now the National Para-Badminton Coach of Team England.

His team did fantastically well in the recent BWF 2015 Para-Badminton World Championships in Stoke Mandeville when they bagged 4 golds, 4 silvers and 5 bronzes, being the most decorated European nation at the Worlds.

Besides coaching Team England, Richard is also involved in some of the para-badminton activities organized by the Badminton World Federation. In his spare time, he likes to spend time with his family.
