Sport Intelligence

A support program for our Member Associations

New in 2018:

- National Umpire Education Courses
- Volunteer Program

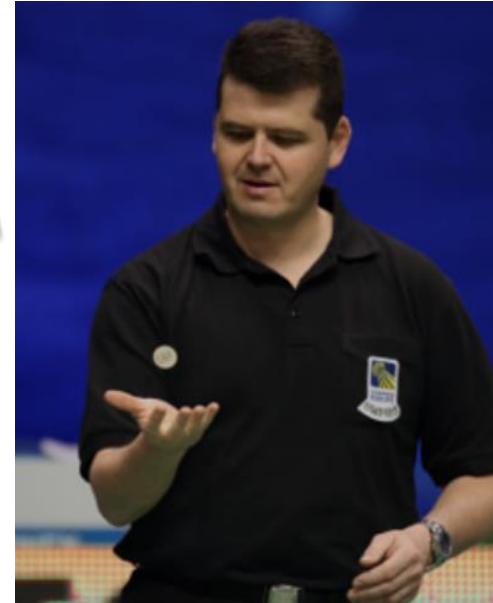

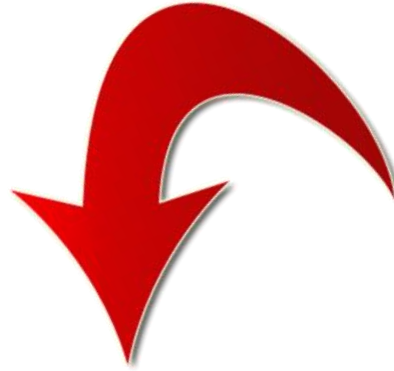

Future implementation

- What will the Forum come up with...?

National Umpire Courses

We need more and better umpires

We need more countries to "deliver"
better officials

Volunteer Programme

We can help the organizers get qualified volunteers.

We can help volunteers get valuable experience.

A support program for our Member Associations

What can we do for you and your association?

A support program for our Member Associations

What is the most relevant BASIS program for your association?

How can we make BASIS more relevant for your association?

Which support programs shall be included into BASIS in the future?
