Plans to represents athletes :

Create & improve the communication between BEC and the athlete's ommission and participate to meetings to better carry the players voices

Why :

- *So the players contribute & participate actively to the evolution of their sports*
- *So BEC, events organizers and players, collaborate and share best practices*

Main goal :

- Share with BEC the issues players are dealing with to make sure their experience at events is improved

My concern and commitments in sport as always been the same : Promoting personal achievement and transcendence, in a spirit of sportsmanship.

I wish today, my candidature as players representative will contribute to structure our sport in Europe and will helped players to achieve their goals.
