João Matos

BEC Vice President
Chair of Para-Badminton Commission

“Once again BEC is organizing a para-badminton event that will take place in November for which we invite you all to attend. Please join us and make this event a success as the previous ones.”

Jimmy Andersen

BEC Senior Manager

“We strive to give our para-badminton players the best possible conditions in connection with their preparations for the Para-Badminton World Championships in Korea. Being able to do so and to combine this with the 3rd BEC Para-Badminton Education Course (for coaches) is another milestone in European para-badminton. We are grateful to Badminton Ireland for hosting this event. We hope that many of our good para-badminton players and coaches will welcome this initiative and join the camp in Lisburn because **‘Together, we will be stronger’**.”
